

SOLUTIONS FOR GENDER EQUITABLE CITIES

A FACT

Women and men experience the city differently

A GOAL

Rethink the city so both women and men feel at ease

A TOOL

Create an international charter with guidelines for gender equity

OUR PROCESS

30 Exploratory walks around the world to **identify** issues encountered by women in public space

150 Leadership training to empower local actors about, mobilization, communication & exploratory walks ...

1 Digital platform to **bring out** best practices and diffuse them to the greatest number

1 International forum to **promote** the engagement of key actors through the Charter of gender equitable cities
