"I would so like to be among you for this historic event but, alas, my family responsibilities make it impossible. Please take many pictures, videos and whatnot to be shared with those of us who are unable to make it. I will be with you in spirit. Have a wonderful time! Best wishes, Patricia (Hesse) Khosrofian"

"Unfortunately, it is impractical for me to get to New York from California by tomorrow, Thursday! This is disappointing. Still, I am hopeful that I will be able to spend some time with my old friends and classmates who still live in New York when I come to the city later this year. Have a great time this weekend, and please keep me updated re future events. David Hill"

"So sorry that I cannot attend the reunion. Will be back in the Rocky Mountains where we now live. I am sure that a great time will be had by one and all. Best wishes, Helena Goldstein Leslie"

"Hello to the rest of you! I am imaging the walk up Fifth ave to the site of the original building on 95th Street....( I lived next door on the corner) and I am thinking that the guys in the group would want to walk into the park to visit the place that they had their sports & soccer activities. The girls were in the ballroom moving like swans with Mme Helles (Maia Helles is now in her late 90's). I remember watching the appealing image of the boys' legs in shorts and sneakers traipsing up the stairs and filing out out to the park. That field must have been a real place to remember fondly or not. I would gladly join that excursion too. But I don't know where exactly that field is situated. Jane Trigere"

"Chers Camarades, Je suis vraiment triste de ne pas pouvoir participer à cette réunion. 50 ans c'est tout à fait impressionnant et j'ai de la peine à imaginer que tant d'années ont passé...On pourrait peut-être recommencer à Paris? Nous n'avons plus besoin d'excuses pour nous retrouver et essayons de multiplier les chances de nous revoir. Serai en pensée et de cœur avec vous. Monique (Auguste) Caillat"

André Cappon and Hervé Gambliel
